I've enjoyed being in school with you. You're crazy and so much fun. I don't know what I would have ever done without you to pest. I've also enjoyed having chem with you.  $(C_2H_4O \times 42 \rightarrow Z_{40} H_{140} M_o \uparrow W_{55} (B_2 C_8)_{14} f_{89})$  Balance that - if you can you've learned something in chemistry!

You junior's she gave us a fine banquet and I had more fun! Keep up the cute personality and you'll always have best-kid of friends

You folks keep it up on the ball when we old seniors are gone. I'm gonna miss you like heck!

I hope that the best in life will be yours. Don't forget our good times!

# IN MEMORIAM

For one short year her smile, her cheerfulness, and her love inspired not only those of her own grade but also all those with whom she came in contact; in memory of Miss Betsy Ann Edwards, first grade teacher in our school during 1950-1951.

To one of the best  
through the years!  
For your future success  
I have no fears.  
Sincerely, F. O'Q.

## DEDICATION

Because of her unfailing understanding, her help, and her interest in each student in all phases of school activities, this volume of Footprints is dedicated to Mrs. Flora O'Quinn, teacher of science and geometry.

We want to express to the Seniors who will be leaving us soon and to the students who are remaining with us our deepest appreciation for every effort in making Lillington school a better and happier place for boys and girls. By your attitude and spirit of co-operation you are making a real contribution towards the happiness of teachers and the progress of students.

In my old treasure chest,  
I find one I love best;  
Where many memories rest,  
"Among my souvenirs"

These pages bound in green,  
Pictures I've often seen;  
With autographs between,  
"Among my souvenirs"

A tear springs in my eye,  
I turn a page and sigh;  
For happy days gone by,

# CLASS HISTORY

In 1948 our class started forth into the forest of learning. It was a very deep, dark, and thick forest and our job was to clear a way through it with our ability to learn. We were divided into three groups, thinking that this might enable us to get a better start. President of the group under Miss Home Ec Enzor was Billie Jean Adams. She came to us from Bunnlevel and we soon learned that she was a top ranking student. President of the group directed by Mrs. English Walker was Billy Joe Johnson. Billy Joe was also an outstanding, good, all 'round athlete. The group led by Mr. Agriculture Blackmon had for their President, Hill Murchison. This year proved to be a good one. As we looked behind us and saw how much of the forest had been cleared away we realized that one of our toughest jobs was done; that is, the job of beginning.

The next year the three groups were combined into one group of about forty-five members. We knew that as we went deeper into the forest, where the trees were bigger and the branches stronger, that we would need to work together. Miss English Hockaday was our leader and Billie Jean was our President. We sold drinks at field day and pennants and emblems at school in order to raise money that we would need our Junior year. We were proud that so many members of our class were outstanding in athletics. Louise, Delilah, Christine, Dorothy, and Ann played basketball. The boys who played basketball or baseball were Billy Joe, Rudolph, and Joe P. Joe P. was also a cheerleader. Frances Louise Atkins won an award for making the most improvement in music. Delores Strickland and Patsy Blalock left us our sophomore year in order to take up the job of home-making. By now we really felt as though we were getting into the swing of things, so we held onto our tools and continued to go even deeper into the forest.

There were forty students in our Junior class. Miss English Hockaday was again our leader and Laura Mae Edwards was our President. We gave a play, "Seventeen Is Terrific", and sold magazines and Christmas cards to raise money for the Junior-Senior Banquet. During the year we gained some new members and were more than happy to welcome them to our troop. They were Gaynelle Lanier, Faydine Cooke, and Muriel Bain. Frances Louise left us in order to attend St. Mary's school. We had a football team this year and they won the Harnett and Johnson county championship trophy. Of course, we were proud that Joe P., Hill, Rudolph, and Billy Joe were on the team. Shirley Cameron was chief cheerleader. We elected Duane McDonald and Faye Allan as our mascots. We chose the pink carnation as our class flower and for our motto we selected, "The End Crowns The Work". For our banquet we gave the seniors a gay Mexican fiesta. We took part in graduation at the end of the year. Our marshals were Billie Jean--chief, Sara Nell, Delilah, Billy Joe, and Joe P. We were very proud to see our President, Laura Mae, accept the golden key to Seniority on the big night.

There were thirty students in our Senior class. Although we had decreased in number we knew that we could finish the job of clearing a way through the Forest of Knowledge. Practically all of us had by now really been "out on a limb", but had managed somehow to keep up with the class. Miss English Hockaday was still with us and our class officers were: Laura Mae Edwards, President; Dorothy McDonald, Vice-president; Mary Jane Chambers, Secretary; and Joe P. Smith, Treasurer. Gaynelle and Billy Joe branched off into other schools and Sara Nell took up homemaking. Peggy Cash and Margaret Gilchrist were cheerleaders. We gave our senior play after Christmas and of course after that we were busy with class night and graduation. As we finished our senior year and saw back of us a clear way instead of forest we truly realized the meaning of, "The End Crowns The Work".

During all four years of our high school education we have been guided and helped by wonderful leaders. We, the Senior class of '52, would like to express our thanks to Mr. Principal Hamilton and also to each of the other teachers who have been so generous with their time and helpfulness.

Leo,  
We really have had some wonderful times together. I will never forget the time at the Duck Pond - Dolly! Leo you are really a swell person with a wonderful personality. Thank so much for helping me with my favorite subject - Geometry. You really have talent when it comes to playing the piano - sure wish I could play like that, and wish I could work geometry. Didn't we have lots of fun at play practice. I'll never forget the scene with you and C. H. when he had to knock you in the chair - - what a fight! The worst thing about it was if you the chair was placed so you could fall in it.  
Roads of happiness and success to a wonderful guy.

Love ya,

Leo,

Well, here I am again this year trying to think of something nice to write. You all ready know how much I think of you. You really are a swell person to know.

I want forget the good times we have had together. at parties and get-to-gathers. Remember the night of the Senior Play. I want every forget it. Also the night after display, when we rode around.

Well, we want have but one more year here.

Let's make it the "best" YET.

Love ya,  
Maiane

Old boy,  
never will forget  
that night at frozen  
custard when you said,  
"You know I... I well I don't"  
Then there were other times like at  
the drive-in etc. See your next "Ward".  
Buddies!  
C. A. \* those years together. With  
that year coming it will be  
hard to part.

to a very good friend  
and classmate. I am glad  
that we have one more of  
those years together. With  
that year coming it will be  
hard to part.

Leo MacDonald

Lots of luck always  
to a very nice boy  
Leo:  
It's been fun  
having you as a friend.  
Rudy Brown

To a boy whose "old tank"  
I like to ride in, I hope you  
have the best of luck for the  
future. I enjoy sitting at your  
table in study hall and talk-  
ing to you also.

Darrell

P.S. you might even  
be a Senior.

Skip,  
I don't know what to say. The time is  
coming pretty fast and we old seniors will  
be gone. I thought I would be glad until it  
started getting night. I'm going to miss all you  
fine people but I'll be coming home often.  
If you're ever in Kalamazoo please call me,  
because I know I'll be homesick. Leo,  
you are a swell guy and I love you loads.  
You don't know how funny it seems to  
be thinking about saying goodbye. Keep  
the home fire burning and don't ever  
forget all those good times. Work hard  
in music now (Ha) (Just like I have) (Haha).

With my love,  
Henrietta

Leo,

Since you want to be a senior until next year  
I'll save all my good-bye words for then.  
This year has really be wonderful. Let's remember  
all those good times we've had together.

Thanks for taking me on all those trips.  
We've had fun riding around in that ole  
"Dodge". Those trips to Dunn were really fun.  
Maybe you and Lynn can get everything  
going fine within a few weeks.

Seems like yesterday since we were  
practicing for the play. You were a real big  
success in the Junior Play. Luck to you next  
year.

May you have the best of luck always.

Love your cousin  
Sarah

Dear Leo,

Well, here it is, the last time I'll be autographing a footprint of yours. And is it a sad occasion! Honestly (pardon the change of colors) I don't know what I'm going to do next year without you to help me with French (bingo!) and read my themes and take me to N.Y.P. and laugh at my corn and take me riding and oh - so - many - things! Remember all the good times we've had, and remember Chinty Cottage when you wouldn't kiss my hand, and sitting in the drug store so many afternoons, and "chauffeur-ing" for us that Friday Daddy lent us the Pontiac, and the night we went to the Cruise Inn - ahem! - and you were so intent on the movie. Ha. Oh, and remember everyday after 5<sup>th</sup> period how I always run slam into you.

Well, let's get serious now. Leo, you're one of the finest, and I know you'll go a long way. I'm really going to miss you next year, and I want you to be sure and write me. I wish that I would be here to give you tacky ole Seniors your banquet. I know y'all will have a grand year next year, and I'm wishing for you and your whole class the very best.

Be good and don't forget me.

Love,

Reba

P.S. Hope you get your love affairs all straightened out real soon. Reba
